

Didja'no November/December

2018

(The title is based on a saying of the Antarctic Eskimos meaning the 'active gaining of wisdom').

NEWSLETTER OF UNIFIED BOWLS SECTIONS

Parties have started!! We had 236 barefoot visiting bowlers through October & November. 200+ booked in for December, and more are in the planning stages. Your assistance would be gratefully accepted. See Rob if you can help out.

THANKS to Peter Serno, (Midweek Match Committee) and to Peter Gilbert (Weekend Match Committee), who have both served us well in their respective roles. Both members have decided not to continue as selectors, but will continue to be active bowling members of the Club.

THANKS to Neil Black who has agreed to join the Midweek Selection Committee, and to Bill Lawrence who will join the Weekend Selection Committee.

On behalf of the Committee and Members of the Club it is with regret that we have accepted the resignation of our hard-working President Joe Hayes from the position of President due to health reasons. Joe will continue to be an active bowling member of the club. Thank you very much to Joe for his service!!

Our Vice-President Aileen Sainty will step into this position to ensure a smooth transition and we trust that all members will give her their full support.

THANKS to all volunteers who assisted with the Two Day Carnival. Many happy bowlers participated.

CLUB GAMES:

All draws are displayed on notice boards. Please ensure you have paid the entry fee prior to the game. All games are required to be completed by certain dates. Please adhere to these dates.

BDBD NEWS:

- All Division 9 sides are now to be comprised of only two rinks.
- An Urgent request came from BDBD to all Clubs to invite input into the planning of the format of pennant for 2019/2020. All members are invited to complete our survey. The Committee will take members' opinions into account when responding to further correspondence from the BDBD.

THANKS to Fran Moore who has served the Club as Treasurer of the Ladies Committee for four years and as Assistant Treasurer of the Unified Bowls Section for the past six months. Fran has decided not to continue with this role, but will still be an active bowls member. Geoff Worsley will continue as Treasurer. The position of Assistant Treasurer is under consideration.

Again we thank all sponsors and encourage members to use as many as possible when choosing a supplier
