

## MEMBERS AREA CLOSED

Dear Members

Unfortunately, lockdown 4 has affected our club and the bowls section is not immune to these restrictions. (Pardon the pun)

The whole club is restricted to only 75 people inside and 75 people outside.

That means the 75 people allowed inside have been prioritized for the bistro, sports bar and gaming areas.

Therefore, the Members area is completely closed. No access will be granted through the club to the members area.

Hopefully, these restrictions will lift on the 18<sup>th</sup> of June 2021.

Please adhere to the direction given by Rob Baker as he is merely giving you the rules and regulations set out by the Victorian State Government.

When entering the Club, you must **sign in with your members** card and **sign into the Government QR Code**. This is mandatory and NO exceptions will be granted.
