VBL 3

We took part in VBL 3,
unfortunately our lads had
some luckless results, but
they represented our club
magnificently.

Christmas in July

Christmas in July was well attended and enjoyed by all. Just another benefit of being a member of our great club.

Trotts Night

A proposed night out at the trotts is coming up later in the year when the warmer weather arrives.

This is always a fun event and subsidized by the Social Club.

A very big thank you to Nora Thornhill for generously donating the new 'greens closed' signs. They are currently in production and should be here before the start of the bowls season.

Thank
you! :)
